

PRIYA MISHRA

Jabalpur, Madhya Pradesh, India | +91 6266825580 | freedompiya1880@gmail.com
LinkedIn: linkedin.com/in/engineerpriyamishra | GitHub: github.com/Sunita-bot

PROFESSIONAL SUMMARY

Environmental Engineering postgraduate with hands-on experience in Python, SQL, Data Analysis, Data Visualization, Web Scraping, Exploratory Data Analysis (EDA), and Environmental Analytics. Skilled in Pandas, NumPy, Selenium, REST APIs, Django and databases development. Experienced in transforming raw data into actionable insights, creating visual reports, and solving analytical problems. Network programming in python using socket

CORE SKILLS

Python, SQL, Pandas, NumPy, Data Analysis, Seaborn, Matplotlib, Request, beautiful soup, Flask, Django, SciPy, Tkinter, Scikit-learn, excel, OOPs, File & Exception handling,

ADDITIONAL SKILLS

Communication, positive psychology, resilience, leadership, flexibility, learner, critical thinking

PROJECTS

Air Quality Assessment (Thesis)

- Analyzed environmental datasets and AQI trends using statistical techniques.
- Identified pollution patterns and generated recommendations for mitigation.
- Created visual reports to communicate findings effectively.

Python Data Analytics Projects

- Performed data cleaning, preprocessing, EDA, and visualization using Pandas and NumPy.
- Built dashboards and analytical reports for data-driven decision making.
- Worked with SQL queries and data interpretation techniques.

Automation & Web Scraping Projects

- Automated web-based tasks using Selenium.
- Extracted and processed structured data from websites.
- Developed Flask applications, REST APIs, and Python automation tools.

PROFESSIONAL EXPERIENCE

Peer Teacher | Central Academy, Jabalpur | 2023–2025

- Mentored students and monitored academic performance.
- Improved engagement through structured learning support.
- Developed communication, presentation, and analytical problem-solving skills.

Volunteer Educator | Government School, Jabalpur | 2019–2022

- Supported lesson delivery and student performance improvement.
- Facilitated peer-learning sessions and progress tracking.

EDUCATION

M.E. Environmental Engineering | Jabalpur Engineering College | 2024–2026 | CGPA: 7.18

B.Tech Civil Engineering | Jabalpur Engineering College | 2018–2022 | CGPA: 7.61

CERTIFICATIONS

AI for All (Coursera), Python Programming (Tutored), Data analysis (Tutored), Ai Tools (Tutored), air pollution (Coursera), Environmental Management (Coursera), Psychology in Everyday Life (Coursera), Communication Skills (Coursera), Critical Thinking (Coursera),

INTERNSHIPS

Water Treatment Plant, Nagar Nigam Jabalpur (June 2026)

West Central Railway, Jabalpur (May 2022)

Gun Carriage Factory (June 2020)

ACHIEVEMENTS

NCC 'C' Certificate (Alpha Grade), Prime Minister Scholarship Scheme Recipient, Sports Participation Certificates, Air Quality Assessment Thesis, Multiple Python, AI Tools & Data Analytics Projects.
